Described by Vogue France as “the new Parisienne to know”, Joanne Palmaro is a model and actor-screenwriter living between her native Paris, London and the coast of Italy. Over the years, she’s built a loyal and large fanbase, who follow her iconic, seductive-yet-feminine style, effortlessly undone beauty, and travel. She is the “embodiment of femme fatale à la Italianne” - uniquely charming, with French sensuality and quintessential Italian glamour.

Joanne’s penchant for balance in life is what sets her apart. Her passion is Italian food - pasta al dente being her favourite dish. She is the poster girl for having her cake and eating it too; unapologetic for her love of food and travel, and embracing all that life has to offer, all with a sense of self-confidence and femininity.

Joanne has collaborated with a number of top-tier brands including Chanel Beauty, MAC Cosmetics and &OtherStories, to name a few. She most definitely is, the new Parisienne to know.
